Under the Bed

👁 13 ✓ 0 ★ 1

Chapter 1 by Iniya Poovannan

Sometimes I heard sounds under my bed. I didn't hear a weird mythological monster, I heard soft harp or piano. One day I finally checked what was under my bed. I found a book. It only seemed to open up to one page. As I opened up to it there was a weird circle/hole thing floating up in the air, getting bigger and bigger. It was a portal to another world.
